FURROW CANVAS™

Where Fluting Meets Art

FURROW CANVAS™

Where Fluting Meets Art

A fusion of sculpted solid wood fluting and artistic expression, Furrow Canvas transforms natural wood surfaces into captivating design statements. Featuring distinctive designer prints on fluted panels, it brings together the warmth of solid wood, the depth of flutes, and the beauty of contemporary artistry.

More than a surface, it is a canvas for distinctive depth and shades.

Exclusive Designer Panels

Distinctive prints that add
artistic character to every fluting groove.

Tactile & Visual Richness

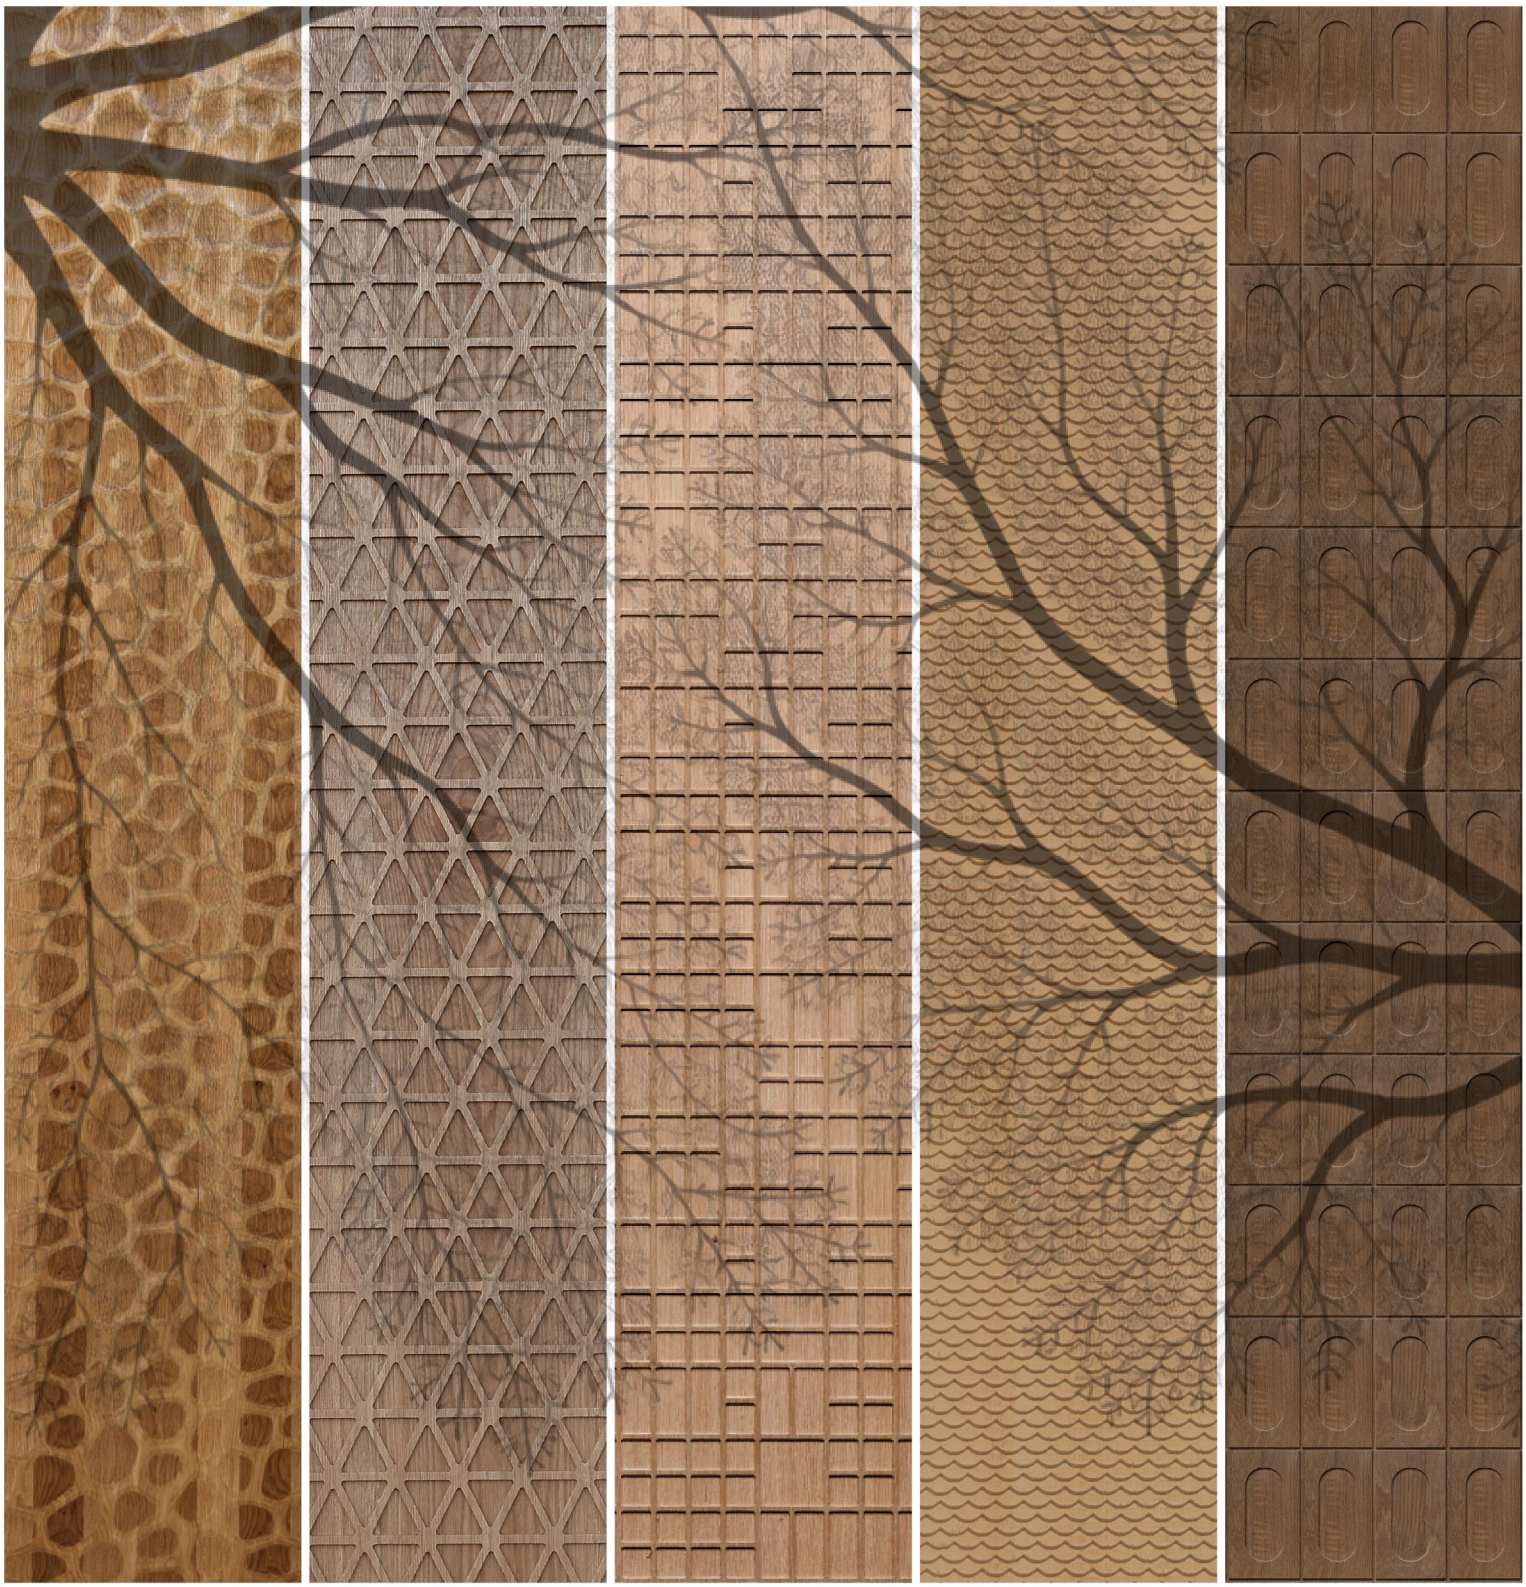

An interplay of light, shadow, texture and print.

Designed.
Finished.
Ready.

Ready-to-install
panels that simplify
execution
while preserving
the beauty of every
designer detail.

Design Freedom

Any Design, Your Choice — On Any Fluted Surface.
