Finest Hybrid Flutes

Are you looking to transform your interior spaces with a touch of elegance and sophistication? Recon wood fluted panels might be the answer you've been searching for. These panels combine the natural beauty of wood with the timeless appeal of fluted design, creating a visual masterpiece that can enhance any room.

How to Use Recon Wood Fluted Panels

You can use recon wood fluted panels in a variety of creative ways:

Feature Wall: Create a stunning focal point by covering an entire wall with recon wood fluted panels. This can add depth and character to your space.

Ceilings: Install these panels on your ceiling to draw the eye upward and make the room feel more spacious.

Wainscoting: Enhance the lower portion of your walls with fluted panels for an elegant and classic look.

Room Dividers: Use these panels to create stylish room dividers that add privacy and style to open-concept spaces.

Doors: Enhance the beauty of every door. Doors are an important part of any space which needs a beautiful surface like Furrow Reganto.

27 UNIQUE Designs

Choose from a range of **27** unique and captivating designs to match your aesthetic preferences and interior style. There's a design to suit every taste.

PRE-FINISHED Excellence

Furrow Reganto panels come pre-finished on demand, saving you time and effort after installation.

FLEXIBILITY Redefined

Unleash your imagination and explore endless design possibilities because we offer these panels in flexible form as well that turn your space into a masterpiece.

UNCONVENTIONAL 10x4 Panel Sizes

Breaking away from the norm, Furrow Reganto Panels introduce a touch of uniqueness with their grand 10x4 size, alongside the standard 8x4 offering.

LIMITLESS COMBINATIONS to Redefine Your Space

Choose from an astonishing **378** combinations, blending **27** captivating designs with **14** exquisite wood species, to craft your dream interior.

CUSTOMIZATION

Recon wood fluted panels come in various wood species, finishes, and sizes, allowing you to customize your design to suit your preferences and the specific needs of your space.
